Kids will have the option of making their very own necklace, bracelet, or anklet. Bring your own beads or use ours, either way everyone will be leaving with a couple of pieces of jewelry they can proudly show off to everyone. This winter's class will not only incorporate pony beads, but seed beads as well to encourage better mastery of fine motor skills.

Bowling will take place at AMF Lanes in Cranston. Each participant will be able to bowl 2 strings. Bring extra money for snacks & beverages.

A Christmas Carol (10 spots available)

In the mood for some holiday cheer? We have the place. Please join us for the definitive holiday tale of "A Christmas Carol" at the Trinity Repertory Theatre Company in Providence. Remember to bring money for snacks, drinks, and souvenirs.

Comedy & Karaoke Night (unlimited spots available)

That's right, we did it. We combined these two stellar events into one magical evening. This is the night to test out those jokes you've been telling on a larger, friendly audience. We'll have joke books on hand for you to select from, and a fresh selection of your favorite songs to belt out.

Dave & Buster's (15 spots available)

We'll travel to Dave & Buster's in Providence Place Mall for some gaming and arcade action. The fee for Dave and Busters covers staffing and transportation only. Please bring at least 10 dollars to use towards games.

NEW! Double Feature Movie in the Gym (30 spots available)

We'll roll out the yoga mats and pop the popcorn for this special new night we're offering. Projected onto our own little big screen, we'll show the classic holiday cartoon "Rudolph the Red Nosed Reindeer" followed by "Home Alone".

Exercise Club (20 spots available)

Exercise club is a great opportunity to introduce your children to physical fitness and new activities. Each class includes: stretching, warm up exercises, and a physical activity or game.

NEW! Holiday Crafts & Baking w/ Wonder Finn (10 spots available)

The HBCS's own Jennie Finn, aka "Wonder Finn" will take us along a culinary adventure to Baking Land! While we wait for our oven creations to be ready, we'll get to craft some seasonally flavored art projects.

Holiday Potluck Party with Santa (unlimited spots available)

Please join us for the Children's Recreation holiday potluck party. The party will take place in the Larkin Recreation Building and there will be yummy festive treats, Holiday tunes and karaoke, and best of all SANTA so don't forget your holiday list.

NEW! Kids Caroling Group (25 spots available)

You don't have to have a good voice to join this make-shift choir. We will be going to a senior center and spreading some joy as we sing a few neutral holiday songs. Why sing? Well science has now proven that singing is good for you. It's true! Studies show that singing releases endorphins and can boost your immune system, along with strengthening your concentration & memory. Singing also develops the lungs and promotes better posture. The benefits are physical, emotional & social so why not come out and sing with us at the most wonderful time of the year?

La Salette Shrine (10 spots available)

La Salette is a local tradition that should not be missed. La Salette features more than 300,000 holiday lights. Make sure to dress warmly!

NEW! Make Your Own Toy Workshop (10 spots available)

Mrs. Jessica Brown who is an experienced furniture maker and toy designer, will empower us to make our own toys. Starting with the basics, we'll review and modify the classic paper airplane. After we've mastered that, we'll move on to a toy as old as the ages, the top. To round out our toy making workshop we will then construct our own buzzer or whirligig (also known as a "bullroarer" or "button-on-a-string"). Let's just make that!

NEW! Matinee Movies with Ashley (12 spots available)

Why not get together with your friends and go see a movie? Ashley, our Saturday outing leader will be taking the kids to Showcase Cinemas for a feature film that will be determined as the trip draws closer. Bring extra money for snacks and beverages if you'd like.

Movies at Showcase Cinemas (10 spots available)

Join our group as we go to Showcase Cinemas in Warwick. The movie will be determined as the date for the trip approaches.

MLK Day Service Project (20 spots available)

"Everybody can be great, because everybody can serve." - Dr. Martin Luther King Jr., who devoted his life to making the world a better place, spoke these wise words. Come out and give back to your community with a service project that is sure to be a fun & meaningful experience for all involved. A "mini store" will be set up in the Larkin Recreation Building to help you create your care package that will be sent to Crossroads Rhode Island (largest homeless services organization in the state). Also feel free to bring in any items you would like to donate yourself.

NEW! Percussion Music Workshop (15 spots available)

We will gather in the Larkin Recreation Building for an hour of rhythm and groove. We'll go over techniques like call and response, the rumble, and the pulse. We'll also introduce various percussion instruments, and play a game of Musical Chairs (with a twist!). This workshop is very beginner-friendly and requires no previous musical experience or skill.

NEW! Blackstone Valley Polar Express (12 spots available)

Make-believe comes to life during this enchanted 90-minute holiday excursion and reading of the Chris Van Allsburg's classic, The Polar Express. There'll be appearances by The Chef serving hot chocolate and cookies, The Conductor punching tickets, and The Engineer calling "All Aboard! Santa and Mrs. Claus will appear, spreading joy and merriment. Every youngster receives a coloring book and crayons, and a very special gift, presented personally by Santa to each and every child. A jolly holiday sing-a-long carries us back to the Polar Express Station to be greeted by favorite characters ready to pose with your children for snap shots. Unique toys and gifts are set up in Santa's Shop.

Providence Bruins Game (7 spots available)

Experience the excitement of your Providence Bruins. If you'd like, bring money for snacks, drinks, and souvenirs.

Saturday Bowling (7 spots available)

Our regular Tuesday Bowling program is being expanded and will now be offered most every other Saturday. Remember that we are now meeting in the café at the main Trudeau building for drop-offs and pick-ups, but we will be having just as much fun at the same AMF Lanes in Cranston! Lunch is included in the cost with your choice of grilled cheese, hot dog, chicken tenders, or sliders. Every kids' meal includes a drink and french fries.

Snow Tubing @ Yawgoo (15 spots available)

If interested in tubing, your child must be able to get in and out of a tube by him/herself and be at least 42 inches tall. The tubing area is supervised, and is 50 minutes in length. If you have extra safety gear at home please bring it.

Valentine's Day Dance (unlimited spots available)

Celebrate this lovely holiday about love, with your friends! We'll have yummy treats, a piñata, DJ Hank and a freeze dance contest, along with other fun games.

NEW! Warwick Mall Shopping Trip (12 spots available)

Dare we venture to the mall around the holidays? Yes, we will! Ashley will take everyone on an outing to the Warwick Mall for some shopping, hang time and lunch. Please remember to bring money for the food court and for shopping.
